FOR IMMEDIATE RELEASE

United Educators Credit Union's Financial Literacy Calendar Contest is Going to the Birds

UECU's annual financial literacy calendar contest composed of student artwork, will be centered around the national theme, "Give a Hoot About Saving". This fun and engaging theme presented the perfect opportunity to partner with the U of M Raptor Center. For every submitted calendar entry, UECU will donate \$1 to support the owl rehabilitation program. Additionally, the student's school name will go into a drawing to win a visit to their classroom from a raptor specialist and Hootie the Owl.

"Supporting the U of M Raptor Center reinforces the concept of sharing, one of the cornerstones of our Save, Share, Spend youth account. We are honored to partner with the U of M Raptor Center and to highlight the good work they do." said Paul Dammann, United Educator's President/CEO.

United Educators Credit Union was established in 1957 and is a member-owned, member-operated, not-for-profit financial institution, providing financial services to the Minnesota education community, their families, and those who support education by being a part of the United Educators Foundation. United Educators Credit Union offers a full line of financial services, and currently operates four branches in the Twin Cities metro. For more information, visit www.uecu.coop.
